

Curriculum Vitae

...DEDICATED TO INNOVATION AND EXCELLENCE

GLENN P. TUNNOCK **MPA, MA, MCIP, RPP, CMM1**

SUMMARY OF QUALIFICATIONS

Glenn, who is bilingual, is an accredited land use planner with over 30 years of experience. He has prepared some 70 Official Plans and Zoning By-laws and has provided services to over 150 municipalities across Ontario. He has been an advocate of sustainable development through lake management planning, source protection and energy conservation. He promotes healthy communities and community based economic development as integral components to community planning. His public consultation experience is extensive including facilitating focus group and workshop sessions, conducting community surveys, convening open houses and running public meetings. Services to communities also include the review of planning application fees and building permit fees (35 + municipalities), preparing some 36 Development Charges studies and by-laws and several municipal restructuring studies and community improvement plans. Experience with Aboriginal land claims and Aboriginal affairs.
